Land Cruises

Bridge land cruises are notorious for not just learning and improving your game but for FUN! Our pros are not just the winners of so many sectional, regional and national tournaments that it would take a small book to list them but are raconteurs as well.. More important than their impressive bridge credentials are their teaching styles. They are super funny, super accessible and will have just as good a time as their students. Don't miss this golden opportunity...you will have a blast!

Need a Room

As of this writing, we are trying to negotiate a special bridge rate for those of you needing overnight accommodations. Call Candy or Bernie for details. You can find their numbers on pages 1 and 4.

Special Bonus

If you sign up for all three days, you are invited to a barbeque steak dinner on Thursday Night, Jan 10, 2008. 'Break bread' with the pros.

Friday Night Cocktail Party

You may attend this one hour get-together as long as you are registered for any day, it doesn't have to be just Friday participants.
